SPENCER SCOTT

SOLED SISTER

She wears her mesh bra and panty set even to church—because it's so holey! Spencer groans at our corny joke, and for a moment we fear the gray-eyed beauty is going to storm off the photo set. But when we show her a pretty pink glass dildo her eyes light up like it's Christmas morning. "Give me that! I need to get off," she says.

I'LL FUCK YOU FROM DUSK UNTIL...

where does it hurt?

I'm a 23 year old congressional aide in the Senate, working for one of the most powerful men on the Ways and Means Committee. Two weeks ago, a bunch of us aides got together and were playing a touch football game at the Lower Senate

Park just a few hundred feet from the Russell Senate Building where most of us work. I took a hard fall after this big bruiser thought we were playing tackle. He landed on top of me and man did it hurt. I tweaked my neck and got a stress fracture in my left shin.

I immediately went to my doctor and he sent me directly to the hospital where I got a neck brace and they put a cast on my shin. He also he told me to get an ultrasound to see if there were any in-

ternal injuries. At 10:00 am, my scheduled time, I was ushered into a small sterile room with a examination table, some funny looking medical in-

struments, and lots of drawings of human body parts on the wall.

After a few minutes, the nurse showed up, took my blood pressure, asked some silly questions that had nothing to do with my injury, and then told me to take off my shirt and pants and put on the smock, backwards. I obeyed after she left and sat on the bed awaiting the next intruder. What seemed to be an eternity later, a gorgeous blonde-haired woman walks in and asks if I am Jacob? I said 'Yes.' and she asked me where it hurts. I stammered to get

words out of my mouth as I was checking her out in her bleached white lab coat and perfectly manicured fingers. She scribbled down what I mumbled about my groin hurting from the tackle and smiled as I told the story. I kinda laughed too and felt a little better.

She turned around and shut the door of the little room. At the wall switch she turned off the ceiling lights and turned on the ultrasound machine. Now the only light in the room was from that machine and the weird reflection off her white lab coat. She asked me to lift up my smock as she prepped the gel. She saw I still had my boxers on and asked me to pull them down a little so they would not get gel on them.

She flipped a few switches on the machine, stood next to me, held up a bottle of gel squirted a line of it down my belly. She put the wand into the gel on my belly and began moving it around, pushing and prodding, then taking a picture of the spot she stopped at. She had to lean over me to do her thing, her lab coat opened and I could see some monstrous cleavage under it. Her elbow kept brushing my boxers and I stared to feel my cock growing. I coughed to make her get off for a moment, adjusted myself and settled back down. That didn't help and the damn thing kept growing. She did

not yet seem to notice and continued with the wand and taking her pictures.

Then she grabbed my boxer waistband and pulled them down a bit and as she did, her hand bumped the head of my now-hard cock. I lifted my legs at the knee and she told me not to worry and moved her wand higher up my stomach. In the dark, I blushed, adjusted my boxers again, but she just kept on with her work.

She then asked me to raise both of my arms, which I did, and she moved the wand higher up onto my chest. Her lab coat and her breasts pushed into my side. She slid the wand down the middle of my chest back down to my boxer top. The machine was making all kinds of weird beeps and she reached over to turn some knobs. My hard-on was now ready to pop through the slit in my boxers. I couldn't even think of anything to reduce it's swelling.

She stopped at the boxer top and noticed she had the gel on the lab coat. She went over to the sink, took it off and tried to spot out the blue gel. By now my eyes had adjusted more to the low light and I could make out her voluptuous form a few feet away on the other side of the room. She came back and as she started again, noticed the gel had gone through

to her blouse. Again, back to the sink, she took her blouse off and rinsed it this time. I could see her huge breasts were nearly bursting out of her bra. Now dressed in only her bra and skirt, she starts to apologize as she gets back to wandering me.

She said that she didn't find any problems with my belly and said she would have to do a more through pelvic exploration to see about pain that may be there. I watched her heavy breasts swaying against her bra as my dick was pounding against my boxers. I knew I was about to be very embarrassed. She pulled a metal stool closer to her work station and she sat down next to me. I closed my eyes when she grabbed my waistband and pulled my boxers down, lifting them over my rock hard penis.

Then, I couldn't believe it, she pulled my boxers down to my ankles and grabbed my cock! She said something I did not quite hear and pulled my up cock so she could add some gel. However, I noticed this gel was not the ultrasound gel. Then she rubbed it on my cock, not my groin. She moved her hand up and down my cock, massaging in the warm gel and making me moan and groan. She

stopped for a moment and I waited, my eyes closed, and then I felt her soft lips engulf my penis head.

Her hand reached up and slid through the blue lube on my abdomen, rippling over my stomach as she moved her mouth up and down my cock. She slid her hand up to my chest then back down to weak my nipples. I arched my back, digging into the examination table.

She reached back and undid her bra and leaned over the table and laid her breasts on either side of my cock as she sucked me ever so lusciously. My cum spurt was building up inside my cock and she felt it. Suddenly, she grabbed my balls and pulled hard on them. I squealed and she told me to slow it down.

She turned her ass to me and asked if I would help her with the zipper on her skirt, which I immediately obliged. She let her skirt drop to the floor and, unbelievably, she was wearing a matching white garter belt and nylon stockings that probably matched her lacy top. I thought she was a bit overdressed for an ultrasound tech, but what the hell.

She grabbed the waistband and wriggled out of her skirt and pulled her panties down a sec-

ond later. As she bent over to pick them up, I thrust my face between her ass cheeks, and my tongue sent her flying. She turned around and I sensed a wry smile on her face as I noticed her juices run down her thighs as I reached out and stroked her hardening clit. She began to shudder with an orgasm building up in her. I sucked until her ass began to rotate and her moans turned into words.

Asking if I wanted to fuck her, I nodded and pulled her hips onto the exam table. Then she pushed her pussy straight onto my cock. She fell forward on the table, rubbing her nipples and fingering her clit as my cock moved with more and more force inside her. She reached back between my legs, grabbed my balls and pulled me into her.

As I came, she pulled herself off and my cum mixed in with the gel on my belly. Wiping the tip of my cock, she put me back into her pussy, grabbed the ultrasound wand and put it to her pubes. She pushed a button and took a picture. She got off me, grabbed the printout that just came out of the machine and put it in my folder.

She told me to get dressed and asked if I need my parking validated. I said 'No. I'm feeling a whole lot better. No more pain!

TASHA REIGN

LINGERING

One day a handsome man came into the library looking for a book on Ansel Adams. I showed him to the photography section and we started talking. He said he was photographer too and owned an Adams print and wanted to see if it was in the book. He came in a few more times and finally asked me if I wanted to pose for him. I said no at first but he persisted. His were the first nude photos of me – ever. Now I do it for a living!

OLEYSA

ANALIZED

It was on my 19th birthday that I had my first threeway. My boyfriend at the time asked me how I wanted to celebrate and I told him with a trip to Paris. We went to Paris and he had set up for a guy to meet us at our hotel room. I was a little surprised but he said that if he did that for me, I could do something for him. And later, I did, and we all did. Now that was a birthday present!

doing the naughty at the b&b

I was long overdue for a vacation and finally saw a chance to get away for a long weekend. But I didn't want to do it alone. I work hard for my money and now I want to spend it as I choose. And I chose Dudley. I decided to go to a nice B&B in the Temecula Wine country of Southern California. I asked my friend Liz to watch my kids while I coerced Dudley to come away with me. We had been flirting for a few months at the office and even went out on a date once. He's a really nice guy, kinda shy, but I like that. It took a bit of sweet talking and extra heavy flirting, but he agreed.

We arrived early on a Friday morning at the bed and breakfast, signed in and went right upstairs to unpack. About noon we decided to have lunch at one of the nice winery estates that Temecula is famous for. Super-hungry, we pulled into the first one just a few miles up the road and had a great lunch with a great bottle of wine. We had most of a second – well actually I did – since Dudley was the one driving.

After a few hours we were ready to leave and I convinced Dudley to go back to the B&B saying I wanted to show him something there. We parked and headed up to our room. I bounced a little off the walls and he – ever the gentleman – helped me through the door and into the room. I sat on the bed for a moment, composed myself and got my suitcase out. I made him turn his back and went to the bathroom to change into this beautiful lacy bra and garter ensemble I purchased especially for this trip.

I came out and Dudley was stunned. His

cheeks turned red and he stammered to get words out. "A. J., you look beautiful," he said. I thanked him and went over and took his shirt off. I snuggled into him and began to massage his chest and back, my hands moving across his body and slowly down to his cock. He moaned a little as I gently squeezed it and it got harder and harder in my hands. I began to lick his nipples as I unzipped his jeans and pulled them down. He was wearing

these cute blue boxers that I pulled down too and knelt in front of him placing his cock on my cheek and rubbing it. I looked up and saw his eyes close as he was taking this all in. I playfully pushed him down on the feather-topped comforter, stripped him completely

naked and moved closer to rub his cock on my cheek. I began to lick and nibble the underside of his cock. I licked and sucked him until I felt a hot stream of thick, sweet cum something, but I put one finger to his lips to stop him. Then I licked the last of the cum from his still hard cock. I worked my way back up his body to his mouth where I kissed him for a long time. Breaking away, I asked if he could taste his cum on my lips and he said he could. "It tastes a little weird," he said. "I've never tasted it before but mixed with your lipstick it was neat."

He pulled me close and gave me another deep kiss. "This lingerie is beautiful," he whispered. "I hate to take it off you." "Then don't." I said, pulling my large breasts out from their lacy enclosure. The bra supported them from underneath as they pointed straight at him. He leaned forward and began to suck on my erect nipples. He began to massage them with one hand as the other slipped down between my legs and found my wet pussy. "You shave down there?" he asks quietly. "I did just for you, Dudley." I said.

He slid his tongue down my neck, between my breasts and down to my panties. He raised one of my legs and held it up as he now slid his tongue down my calf and the inside of my leg. I loved to have my pussy eaten and I couldn't wait for his tongue to lick me. When he finally reached my pussy, I was completely drenched in anticipation. He pulls the panty crotch aside and begins licking me. I moan loudly and that brings a huge smile to his face. His fingers now finds my moist honey box and teases me, gently flicking my clit with his fingertips. While he is playing with me, I quickly bend my knees so his fingers can slip inside. I tighten my legs around his hand forcing his fingers to stay there and fuck me.

Finally I open my legs and flip backwards on the bed positioning my upsidedown mouth under his hard-again cock. I begin to suck on it and take his balls in my hand. I replace my hand with my mouth on his balls and force

both of them into my mouth. Inside, I swirl my tongue around them, gently sucking on one, pushing it away with my tongue to suck on the other. He leans forward and rubs my breasts and kisses my nipples. I swallow al-

most his entire length and gag as he starts to trust himself in and out of my mouth. I relax my throat muscles as best I can to take his eight thick inches, but still do not manage to get all of it in.

He leans over even farther to reach my pussy with his mouth and we're now doing a floor-to-bed sixty-nine. I oblige by sucking his balls and sliding my tongue past them to try reaching between his butt cheeks to his asshole. Not my luck, but that was about to change. Dudley pulls himself away and lays on the bed with me. Rolling me onto my side, he gets behind me and thrusts his cock into my pussy. My juices are flowing all over the

sheets as he pushes his hard rod into me. Pulling my leg up for better leverage, he continues to thrust pushing my insides up into my belly. My pussy seems to tug on his cock, pulling him deeper and deeper into me.

Once again his hands find my breasts, pinching my nipples in such a way that it feels like I'm being fucked in two places. My pussy is throbbing. This is incredible. We roll so I am sitting on him, and I now am in control, the way I like to be. I squat on him in a reverse cowgirl going all the way down his cock, and then begin to thrust myself up and down on it. I feel his hand on my ass and I feel my body shuddering down there. Thrusting deep into me, I feel like I can swallow his whole body into my pussy. In this position I can feel his entire length inside me. It's bumping something inside but it doesn't matter... I like it!

I feel him tremble and I know he is about to come. I push myself harder and feel the same

feeling coming over me. I ride him for a few more thrusts like a wild bronco and reach under us to find his buttohole and swirl my finger around it. Finally, I reach my climax and we cum together. I fall over backwards on top of him and he kisses my neck in pleasure and release. We kiss and smile at each other as I feel his cock throbbing with the spurts of climax still inside me. I roll off him and take his cock into my mouth and suck the last remaining drops out of it. I taste our hot wet sex juices and it just turns me on even more.

We cuddle for another hour or so and jump into the shower together. We spend what seems like an hour in there, soaping each other and rubbing our genitals in mutual masturbation until we cum again. That's three for him and two for me, but who's counting. The next day we don't even leave the room. We fuck all day on the nice big bed. I think last count was twelve for him and sixteen for me. Oh yeah... but who's counting!!!

Thrusting deep into me, I feel like I can swallow his whole body into my pussy. In this position I can feel his entire length inside me.

HIGH SOCIETY
M A G A Z I N E

Brit babe Roxy heats up our pages with her exotic good looks and incredible sexual appetite, that only a good shagging can satisfy. She's crossed the big pond to get her pussy and ass filled with some of the big American cock. Watch her dance around the rigid pole and tease him to the brink of climax, then all jizz breaks loose and he paints her pretty face with it.

MARIE MCCRAY, KATJA KASSIN, ABBEY RAIN

CASTLE CUTIES

Marie and Abbey are visiting Katja's ancestral home, a Gothic 17th castle, when they come upon the throne room and her great, great, great, great grandfather's helmet and sword. Immediately, they start playing with them, when Katja walks in. After a stern reprimand, she tells them that now they have to play by the house rules and pleasure the mistress of the castle. They do, because it's better than being chained up in the dungeon. Usually!
